LORNE M. MENDELL and R. WEIMER

Page 91, Fig. 3. The correct Figure is printed below.

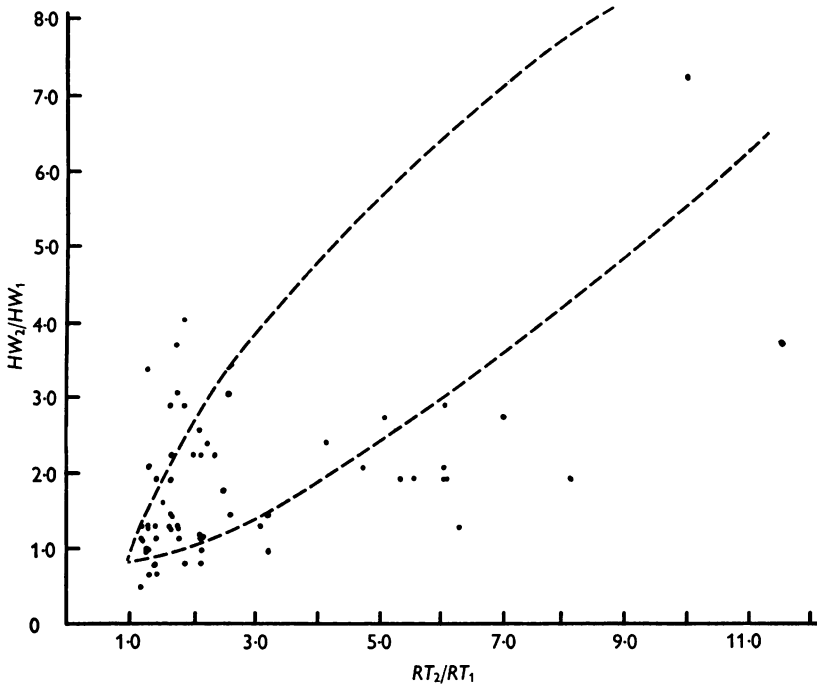

Fig. 3. Relationship between HW_2/HW_1 and RT_2/RT_1 , for pairs of averaged individual e.p.s.p.s in the same motoneurone. $RT_2/RT_1 > 1$ by definition. Dashed line is obtained from theoretical data of Rall (1967) (see text).
