

ERRATUM

RE: Volume 42, Number 1 (July, 1984), pp. 143-157.

In the article, "Stimulus equivalence and transitive associations: A methodological analysis," by Lanny Fields, Thom Verhave, and Stephen Fath, the horizontal lines under the final group of stimuli reported in Table 2 (page 147) are incorrect. The correct version of that portion of Table 2 is given below.

<i>No. Stimuli</i>	<i>Training Clusters</i>	<i>No. Nodes</i>	<i>No. Singles</i>	<i>*A</i>	<i>B</i>	<i>C</i>	<i>*D</i>	<i>*E</i>	<i>F</i>
