

ERRATUM

The publishers wish to apologize for an error in the date appearing in the catchline for the following papers in the December 1978 issue of *Immunology*.

GOUBE DE LAFOREST P., LASMAYOUS-RIOU N., ALCALAY D. & TANZER J. Growth characteristic of PHA-induced colonies in primary and secondary agar culture. *Immunology*, **35**, 917.

IVANYI J. & HUDSON L. Allelic exclusion of M1 (IgM) allotype on the surface of chicken B cells. *Immunology*, **35**, 941.

IVANYI J. & EVANS G.H. Analysis of the immunoglobulin isotype expression by peripheral blood rosette forming cells in chickens. *Immunology*, **35**, 947.

O'DONNELL MARTHA C., HENSON P.M. & FIEDEL B.A. Activation of human platelets by platelet activating factor (PAF) derived from sensitized rabbit basophils. *Immunology*, **35**, 953.

BURDEN A.C., STACEY R., WOOD R.F.M. & BELL P.R.F. Why do protease inhibitors enhance leucocyte migration inhibition to the antigen PPD? *Immunology*, **35**, 959.

In all the above, the catchline should read '*Immunology* 1978' and *not* '*Immunology* 1979'. Would those wishing to refer to these papers in the future please take particular note.
