

## Errata

*Clin. exp. Immunol.* (1991) **85**, 219–223

### Characterization of antibodies reacting with HIV *gag* proteins occasionally found in the serum of non-infected subjects

P. BURGISSER & P. C. FREI

p. 219, l. 13: '(membrane associated (MA))' should read '(matrix proteins (MA))'; '(core associated (CA))' should read '(capsid proteins (CA))'.

*Clin. exp. Immunol.* (1991) **86** (Suppl. 1), 53–56

### Deficiency of mannan binding protein—a new complement deficiency syndrome

M. W. TURNER

The gravimetric units for concentrations of mannan binding protein should read ' $\mu\text{g}/\text{litre}$ ' throughout.

p. 56, Reference 1: Date of publication should read '1968', not '1960'.

p. 56, Reference 3: Date of publication should read '1980', not '1908'.

*Clin. exp. Immunol.* (1991) **86**, 66–70

### Analysis of antibodies to RNA in patients with systemic lupus erythematosus and other autoimmune rheumatic diseases

F. BLANCO, J. KALSI & D. A. ISENBERG

p. 67, Fig. 1: Figure 1 should appear as:
