Anatomical Society of Great Britain and Ireland Meetings

5 September 2003. A one-day symposium on 'Evolution of human bipedalism' (organized by Robin Crompton and Michael Günther) will be held at the Linnean Society Meeting Room, London, UK.

6–8 January 2004. The Society's winter meeting will be held at the Royal Holloway College, Egham, Surrey, UK. It will include a symposium on 'Functional imaging of the brain' (organizer: John Marshall).

6–8 July 2004. The Society's summer meeting is to be hosted by University College Cork, National University of Ireland.

Erratum

The publisher regrets that in Volume 202, Issue 6 of the *Journal of Anatomy*, the article *Immunohistochemistry of the canine vomeronasal organ* by J. C. Dennis *et al.* was inadvertently printed in black and white. It appears in this issue of the *Journal of Anatomy* (pp329–338) as it was originally intended.

Reference

Dennis JC, Allgier JG, Desouza LS, Eward WC, Morrison EE (2003) Immunohistochemistry of the canine vomeronasal organ. *J. Anat.* **202**, 515–524.
