

Erratum

Sheroan MM, Dilley DC, Lucas WJ, Vann WF: A Prospective Study of 2 Sedation Regimens in Children: Chloral Hydrate, Meperidine, and Hydroxyzine Versus Midazolam, Meperidine, and Hydroxyzine. *Anesth Prog* 2006;53:83-90.

The paper contains the following typographical dosage error for hydroxyzine (H) on line 2 of page 88: "The

oral dosage of 1.0mg/kg M, 1.0mg/kg MZ and 25mg/kg H". The dose of the third drug in this oral combination, H (Hydroxyzine), should read 25 mg H and not 25 mg/Kg of hydroxyzine. Four other hydroxyzine dosage citations in the article, including an explanation for the use of a fixed dose of 25 mg of hydroxyzine, are correct. The editor regrets publication of this error.

DENTIST ANESTHESIOLOGIST

The Ohio State University College of Dentistry is seeking a full time dentist anesthesiologist at the assistant professor level in the Section of Oral and Maxillofacial Surgery, Pathology and Anesthesiology. Candidates must have completed a minimum of two years in a dental anesthesiology residency accredited by the American Dental Board of Anesthesiology and must have extensive experience in providing both intubated and non-intubated general anesthesia for all types of dental surgery for adults and small children (including ambulatory non-hospital based orthognathic and cosmetic surgery). Candidates must have an advanced degree (M.S. or Ph.D.) beyond the dental degree in an area directly related to anesthesiology and must demonstrate a strong desire to conduct and supervise research to complement their teaching of didactic and clinical anesthesiology and related subjects to dental students and residents. This position entails direction and teaching of the predoctoral pharmacology curriculum and the candidate must demonstrate professional credentials to accomplish this. An opportunity for intramural anesthesiology private practice is available. Ohio State is an affirmative action/equal opportunity employer. Interested candidates are encouraged to send a letter of interest and a curriculum vitae to Peter E. Larsen, DDS, 305 W. 12th Ave, Room 2131 Postle Hall, Columbus OH 43218-2357.
