

ERRATUM

Himle, M. B., Chang, S., Woods, D. W., Pearlman, A., Buzzella, B., Bunaciu, L., & Piacentini, J. (2006). Establishing the feasibility of direct observation in the assessment of tics in children with chronic tic disorders. *39*, 429–440.

The symbol indicating the significance of the p value for the correlation data was misprinted three times in the first paragraph on page 436 (Lines 15, 27, and 29). All three lines should read: “both correlations significant at $p < .05$.”
