

## ERRATA

Dyck et al: Spatial pattern of nerve fiber abnormality indicative of pathologic mechanisms. *Am J Pathol* 1984, 117:225-238.

On page 228 the formula for  $\bar{A}_H$  should read:

$$\bar{A}_H = n(\sum A_i^{-1})^{-1}$$

Also, in Table 1, page 229, the column heading "IV" should read "ID."

### PROFESSIONAL OPPORTUNITIES

Classified advertising is available in **THE AMERICAN JOURNAL OF PATHOLOGY** for those recruiting personnel or interested in obtaining positions. Display space also is available for those desiring greater visibility or more space for their message.

Classified ad copy, like other advertising copy, will be reviewed for approval prior to publication.

*Classified Rates:* \$9.00 per line or fraction of line. The average line will be 50 characters.

*Box Numbers:* Replies may be directed via Box # to J.B. Lippincott Company, at an extra charge per insertion of \$6.50 to cover handling costs in forwarding such replies to the advertiser.

*How to Order:* Send typewritten text copy for the ad with remittance in full to:

#### THE AMERICAN JOURNAL OF PATHOLOGY

c/o J.B. Lippincott Company  
Attn: Kimberly McLean  
East Washington Square  
Philadelphia, Pa. 19105  
(215) 238-4280

*Deadline:* Copy received by the 1st of month preceding month of issue, e.g. September 1 for October issue. Ads received after the 1st will run in the next available issue.
