e-Letters – new additions

doi 10.1308/003588406X106478

Since the March issue of the Annals, the following letters have been published on our website <<http://www.rcseng.ac.uk/publications/eletters/>>:

The use of theatre time in elective orthopaedic surgery – 2 responses
 Preparing the country for another major terrorist event – 1 responses

New on-line only case reports

You can access the case reports by using your College-issued Athens username and password to enter the members' area of the College website (<www.rcseng.ac.uk/members/publications/index_html>) and following the link to the Annals. At the top of the table of contents there is 'supplementary data' button which, when clicked, will take you to the list of case reports that have already been released online.

Alternatively, if you type the following URL into the address bar of your web browser <<http://dx.doi.org/>> and then enter the DOI in the dialogue box presented on this web page, you will be taken directly to the abstract of the article.
