

## Online-only case reports and letters

Further to articles published in both the *Annals* and the *Bulletin* (*Ann R Coll Surg Engl* 2004; **86**(1): 1–2; *Ann R Coll Surg Engl (Suppl)* 2004; **86**(8): 284–285), we are pleased to provide citation details of the first batch of online case reports and letters.

### CASE REPORTS

You can access the case reports by using your College-issued Athens username and password to enter the members' area of the College website (<[www.rcseng.ac.uk/members/publications/index\\_html](http://www.rcseng.ac.uk/members/publications/index_html)>) and following the link to the *Annals*. At the top of the table of contents there is 'supplementary data' button which, when clicked, will take you to the list of case reports that have already been released online.

Alternatively, if you type the following URL into the address bar of your web browser <<http://dx.doi.org/>> and then enter the DOI in the dialogue box presented on this web page, you will be taken directly to the abstract of the article.
