Correction

In the report of the meeting of the Central Committee for Hospital Medical Services (*Supplement*, 30 December 1967, p. 89), under the heading "Representation of Hospital Junior Staff" (p. 89), Dr. E. Harvey-Smith was wrongly reported as saying that "he could see no difficulty in the executive of his Group and that of the J.H.D.A. meeting to form a common executive committee." It was the C.C.H.M.S. and not the J.H.D.A. to which he was referring.
