

*ERRATUM*

This photograph replaces that appearing on page 534 of these PROCEEDINGS, 46 (1960), as figure 2 in the paper by Tjio, Puck, and Robinson, entitled "The Human Chromosomal Satellites in Normal Persons and in Two Patients with Marfan's Syndrome." The original photograph contained a misplaced arrow, failed to show clearly the 6 chromosomal satellites, and did not reveal the identities of the X and Y chromosomes.
