Gordon, M., and A. Finkelstein *The Journal of General Physiology*. Volume 118, No. 5, November 2001. 471–480.

Page 476, left column, first line

Due to an editorial error the words "which is" were inadvertently included. The corrected sentence appears below:

The failure to observe any channels that showed both N-type and C-type gating is of course consistent with a monomeric channel.
