

Erratum

Jacobs M, Brown N, Allie N, Guler R, Ryffel B. Increased resistance to mycobacterial infection in the absence of interleukin-10. *Immunology* 2000; **100**:494–501.

When the above paper was published in the journal, an error was made in the spelling of the fourth author's name. On the title page, R. Guler's name was incorrectly spelled as R. Gulert.

The publisher apologizes for any inconvenience or confusion caused by this error.
