

## CORRIGENDA

Vol. 21, No. 6

### Collective Antibiotic Treatment of Trachoma

*Page 674*

Under the title, "FIG. 2. MARRAKECH: RELATION OF PERCENTAGE CURED TO STAGE OF TRACHOMA AND AGE", should appear the graph (numbered WHO 9513) shown on page 683. This graph is intended to show the *difference* between the results of treatment of the three active stages of trachoma.

*Page 683*

Under the title, "FIG. 3. MEKNÈS: RELATION OF PERCENTAGE CURED TO SCHEDULE OF TREATMENT AND AGE", should appear the graph (numbered WHO 9512) shown on page 674. This graph is intended to show the *similarity* in the results of the three different schedules of treatment.
