Information for Authors

Correction Notices:

In the byline of the article titled "Exposure to Reach Out and Read and Vocabulary Outcomes in Inner City Preschoolers," published in the March 2002 issue of Journal Medical Association (2002;94(3):171-177), the second author's full name should have read Sarah Rieber. The journal regrets the error.

In the byline of the second August supplement titled "Tort Litigation and Settlement of the Fen-Phen Cases," published with the August 2002 issue of Journal of the National Medical Association (2002;94(8) Suppl:C2-C3), the second author's full name should have read Stephen F. Vaughan MD, RPh. The journal regrets the error.

Addendum:

Addendum to second August supplement titled "Tort Litigation and Settlement of the Fen-Phen Cases," published with the August 2002 issue of Journal of the National Medical Association (2002;94(8) Suppl:C2-C3): The Trustfund Settlement deadline has been changed to May 2003 for submission of all documentation. All echocardiograms must be submitted by January 2003.

INSTRUCTOR IN MEDICINE-The Division of **Rheumatology and Clinical Immunology** at the **University of Maryland School of Medicine** has an open position for an **Instructor** without tenure. Candidates must be able to perform cell culture and cell fractionations; assays of T cell function; purify DNA, RNA and proteins; and perform polymerase chain reaction, flow cytometry and computer imaging procession. In addition, applicants must be able to teach medical and graduate students and help post-doctoral fellows with their research. Candidates will be required to acquire and maintain funding as a Principal Investigator to advance beyond this level to Assistant Professor, in addition to participating in the development of manuscripts and other grant proposals. Candidates must have both an M.D. and Ph.D. degree plus laboratory experience. Interested Applicants mail CV and list of 4 references to Marc C. Hochberg, M.D., M.P.H., Professor of Medicine and Head, Division of Rheumatology and Clinical Immunology, c/o JoAnn L. Gibbs, Academic Program Office, Department of Medicine, University of Maryland Medical Center, Room N3E10, 22 S. Greene St., Balto., MD 21201. The UM,B encourages women and minorities to apply and is an EEO/ADA Employer. Reference Position 03-309-346.

FACULTY POSITIONS - The Department of Pathology and Laboratory Medicine at the University of Pennsylvania's School of Medicine seeks candidates for several Assistant, Associate and/or Full Professor positions in the non-tenure research track, the non-tenure clinician-educator track, or the tenure track. Track and rank will be commensurate with experience. Applicants must have an M.D. and/or Ph.D. or equivalent degree, and have demonstrated excellent qualifications in education, research, and clinical care. Please refer to our website for further details: <http://www.uphs.upenn.edu/path/JobOpps.html>. The University of Pennsylvania is an equal opportunity, affirmative action employer. Women and minority candidates are strongly encouraged to apply.
