Correction Notice

In *J Natl Med Assoc.* 2005;97:1336, the abstract should have read: "The number of supracervical hysterectomies increased 181% over the five-year period."

In *J Natl Med Assoc.* 2005;97:1361, the author Steven Itzkowitz, MA should have read Steven Itzkowitz, MD.

In *J Natl Med Assoc.* 2005;97:1437, the title of the book review by Marian Johnson-Thompson, PhD should have read: *Breast Cancer Black Woman*.

Hope is more powerful
than a hurricane.

Help victims of Hurricane Katrina and thousands of other disasters across the country each year by donating to the Disaster Relief Fund, which enables the Red Cross to provide food, shelter, counseling and other assistance to those in need.
