**FAMILY PRACTICE FACULTY POSITIONS—**

Rush Medical College, Chicago, Illinois, is searching for faculty members to join a new family practice program. The Department of Family Practice has primary responsibility for the development of family practice residency training programs in collaboration with four approved family practice programs at affiliated hospitals. Responsibilities include teaching and patient care at a developing model family practice center. Must be Board-certified or eligible in Family Practice with an interest in teaching of medical students and residents, and be eligible for an Illinois license. Experience and/or residency in family practice is highly desirable. This is an opportunity to become involved in the initial development stages of a comprehensive family practice program. Academic rank and salary depend on qualifications. Positions with the opportunity for faculty appointment are also available in our affiliated family practice programs in the Chicago area. Please send curriculum vitae or inquiries to: Erich E. Brueschke, M.D., Professor and Chairman, Department of Family Practice, Rush-Presbyterian-St. Luke's Medical Center, West Congress Parkway, Chicago, Illinois, 60612. 312-942-7083. Rush Medical College is an equal opportunity/affirmative action employer.
