Volume 26, No. 1 (Spring, 2003) pp. 43, 61, 63

In “Bibliographic processes and products, and a bibliography of the published primary-source works of B. F. Skinner” by E. K. Morris and N. G. Smith, the following errors are noted. On page 61, “Estes, W. K., & Skinner, B. F. (1941b)” should be changed to “Skinner, B. F. (1941c).” Estes was not a co-author of the abstract. Thus, in addition, “Estes, W. K., & Skinner, B. F. (1941a)” should be changed to “Estes, W. K., & Skinner, B. F. (1941)” in the bibliography (p. 61) and to “Estes & Skinner, 1941” in the text (p. 43). On page 63, “Skinner, B. F. (1967b),” the page number for the book review should be changed from “300” to “310.”
