

## CORRIGENDUM

In the article by K. S. WEILER and S. CHATTERJEE (*GENETICS* **182**: 145–159) entitled “The Multi-AT-Hook Chromosomal Protein of *Drosophila melanogaster*, D1, Is Dispensable for Viability,” SUMAN CHATTERJEE was inadvertently omitted as second author on the publication. This has now been corrected in the online version of the published article.
