

Correction

T. S. Kupper

The Journal of Clinical Investigation, Volume 86, No. 6, December 1990

Page 1788.

Acknowledgments were omitted from the article. These acknowledgments should read:

Dr. Steven Dower and Dr. Lisa Sherman provided valuable reagents and assistance with the IL-1 receptor localization experiments.

Dr. Kupper is supported by research grants from the National Institutes of Health (AI25082 and AR40124).
