

CORRIGENDUM

Crystal structure of a prokaryotic replication initiator protein bound to DNA at 2.6 Å resolution

H.Komori, F.Matsunaga, Y.Higuchi, M.Ishiai, C.Wada and K.Miki

The EMBO Journal, **18**, 4597–4607, 1999

The authors apologize for the mislabelling in Figure 6B. The label 'E165' in the figure should read 'E167', and 'Arg167' in the legend should read 'Arg164'.

CORRIGENDUM

The juxtamembrane region of MuSK has a critical role in agrin-mediated signaling

R.Herbst and S.J.Burden

The EMBO Journal, **19**, 67–77, 2000

The authors apologize for displaying a MuSK mutant myofiber expressing MuSK Y553F rather than a MuSK mutant myofiber lacking MuSK expression in the upper panel of Figure 1. The figure is shown correctly below.
