

Retraction

This is with reference to the article entitled, “**Assessment of the Spatial QRS-T Angle by Vectorcardiography: Current Data and Perspectives**”, by Christina Voulgari and Nicholas Tentolouris published in *Current Cardiology Reviews* Journal, November **2009**, Vol. 5, No. 4, pp. 251-62.

The authors have copied the material of the paper entitled, “**Elucidation of the spatial ventricular gradient and its link with dispersion of repolarization**”, by Draisma HH, Schalij MJ, van der Wall EE, Swenne CA published in *Heart Rhythm* Journal, **2006**, Vol. 3, No. 9, pp. 1092-9 in the above mentioned article. For this reason we have decided to retract this article.
