

## Corrigendum

### Principal component analysis of native ensembles of biomolecular structures (PCA\_NEST): insights into functional dynamics

Lee-Wei Yang, Eran Eyal, Ivet Bahar and Akio Kitao

*Bioinformatics* 25(5), 606–614

The authors regret that the equation on line 8 of section 2.4 on page 608 and in the footnote of Table 1 on page 609 should be the following:

$$\delta_{\text{PC}} = \left( \sum \alpha_{p,i}^2 \right)^{1/2}$$
