Vol. 155: 502–514

Seo S., Mitsuhashi I., Feng J., Iwai T., Hasegawa M., and Ohashi Y. (2010) Cyanide, a Coproduct of Plant Hormone Ethylene Biosynthesis, Contributes to the Resistance of Rice to Blast Fungus.

The authors regret that in Figure 7I, the chemical structure of naringenin was shown incorrectly. The correct structure is shown below.
