

Correction

The authors of "The Integrin-coupled Signaling Adaptor p130Cas Suppresses Smad3 Function in Transforming Growth Factor- β Signaling" (Mol. Biol. Cell [2008] 19, 2135–2146) would like to make a correction to the paper.

First, in the paragraph titled "Silencing Endogenous p130Cas by Using Small Interfering RNA (siRNA)" in the *Materials and Methods* section (page 2137), the siRNA sequence CCCACAAGCUGGUGUUACU was incorrect. It should be CCCACAAGCUGGUGUUCAU. Second, in the fourth paragraph of the *Results* section (page 2137), the numbering of Smad3 amino acids was incorrect. (S3D, S⁴⁶⁴SVS⁴⁶⁷-D⁴⁶⁴DVD⁴⁶⁷) and (S3A, S⁴⁶⁴SVS⁴⁶⁷-A⁴⁶⁴AVA⁴⁶⁷) should be (S3D, S⁴²²SVS⁴²⁵-D⁴²²DVD⁴²⁵) and (S3A, S⁴²²SVS⁴²⁵-A⁴²²AVA⁴²⁵).

We sincerely apologize for any inconvenience that the errors may have caused.
