### Corrigenda

#### **PCR detection of a TaqI polymorphism at the CCAATT box of the human tyrosinase (TYR) gene**

by W.S.Oetting, C.M.Roed, M.M.Mentink, H.Y.Handoko and R.A.King

*Nucleic Acids Research*, **19**, p. 5800 (1991)

The authors wish to apologize for the omission of H.H.Handoko from the list of contributors to this article.

#### **Altered response to growth rate changes in *Kluyveromyces lactis* versus *Saccharomyces cerevisiae* as demonstrated by heterologous expression of ribosomal protein 59 (CRY1)**

by G.P.Larson and J.J.Rossi

*Nucleic Acids Research*, **19**, pp. 4701–4707 (1991)

Figures 5 and 6 of this article were inadvertently transposed. The legend to figure 5 should accompany figure 6 as labelled and the legend to figure 6 should accompany figure 5.
