

Correction

BIOCHEMISTRY

Correction for “Differential regulation of the activity of deleted in liver cancer 1 (DLC1) by tensins controls cell migration and transformation,” by Xuan Cao, Courtney Voss, Bing Zhao, Tomonori Kaneko, and Shawn Shun-Cheng Li, which appeared in issue 5, January 31, 2012 of *Proc Natl Acad Sci USA* (109:1455–1460; first published January 17, 2012; 10.1073/pnas.1114368109).

The authors note that, due to a printer’s error, on page 1455, left column, line 4 of the abstract, “rhodopsin-GTPase-activating (Rho-GAP) activity” should instead appear as “Ras-homology-GTPase-activating protein (Rho-GAP) activity.”

Also, on page 1455, left column, first full paragraph, lines 3–4, “The rhodopsin (Rho) family small GTPases” should instead appear as “The Ras-homology (Rho) family small GTPases.”
