This Article contains two typographical errors in the first and second paragraphs of the section entitled ‘Diamagnetic response’: ‘ $\langle B_x \rangle \omega_L / \gamma_\mu$ ’ should be ‘ $\langle B_x \rangle = \omega_L / \gamma_\mu$ ’ and ‘ $\langle j_{ab} \rangle = \langle (1/\mu_0) dB_x/dz \rangle \neq 0$ ’ should be ‘ $\langle j_{ab} \rangle = \langle (1/\mu_0) dB_x/dz \rangle \neq 0$ ’.
