

Correction: In the article "Anti-idiotypic route to anti-acetylcholine receptor antibodies and experimental myasthenia gravis" by N. H. Wassermann, A. S. Penn, P. I. Freimuth, N. Treptow, S. Wentzel, W. L. Cleveland, and B. F. Erlanger, which appeared in number 15, August 1982, of *Proc. Natl. Acad. Sci. USA* (79, 4810-4814), the authors request that the following be noted. On p. 4810, line 12 from the bottom of the left-hand column should read "depolarization was -60 mV at about 400 nM."
