

Correction. In the article "Biosynthesis of vitamin B₁₂: Mode of incorporation of factor III into cobyrinic acid" by Cornelius Nussbaumer, Marquard Imfeld, Gertrud Wörner, Gerhard Müller, and Duilio Arigoni, which appeared in the January 1981 issue of *Proc. Natl. Acad. Sci. USA* (78, 9–10), the authors request that the following correction be noted. The value for the relative molar radioactivity of ring C imide **6** quoted in Table 1 should be corrected to <0.02.
