

RETRACTION

Open Access

# Retraction: colon and rectal surgery for cancer without mechanical bowel preparation: one-center randomized prospective trial

Stefano Scabini\*, Edoardo Rimini, Emanuele Romairone, Renato Scordamaglia, Giampiero Damiani, Davide Pertile and Valter Ferrando

## Retraction

The authors have retracted this article [1] because it contains large portions of text that have been duplicated from another article previously published in *Annals of Surgery* [2]. The authors apologise to the Editors and readers as well as the authors of the original article.

Received: 18 September 2012 Accepted: 18 September 2012  
Published: 20 September 2012
