Retraction: In Vitro antioxidant and anticancer activity of young *Zingiber officinale* against human breast carcinoma cell lines

Shahedur Rahman^{1*}, Faizus Salehin² and Asif Iqbal¹

The journal has retracted this article [1] because it contains large portions of text that were duplicated from articles previously published in *The Journal of Medicinal Plants Research* [2] and *Molecules* [3].

Author details

¹Department of Biotechnology and Genetic Engineering, Islamic University, Kushtia 7003, Bangladesh. ²Department of Biotechnology and Genetic Engineering, University of Development Alternative, Dhaka, Bangladesh.

Received: 1 November 2012 Accepted: 1 November 2012

Submit your next manuscript to BioMed Central and take full advantage of:

- Convenient online submission
- Thorough peer review
- No space constraints or color figure charges
- Immediate publication on acceptance
- Inclusion in PubMed, CAS, Scopus and Google Scholar
- Research which is freely available for redistribution
