### Essential role for Notch signaling in restricting developmental plasticity

Nareg J.-V. Djabrayan, Nathaniel R. Dudley, Erica M. Sommermann, and Joel H. Rothman

In the above-mentioned article, the following citations and references were inadvertently excluded from the manuscript:

In situ hybridization was carried out based on methods described in Broitman-Maduro and Maduro (2011). Identification of the end-3 gene was first reported in Maduro et al. (2005).
