

Erratum for “CBTRUS Statistical Report: Primary Brain and Central Nervous System Tumors Diagnosed in the United States in 2005-2009” by Dolecek et al. *Neuro Oncol* 2012 Nov; 14(Suppl 5): 1-49.

During the entering of new data, Figures 7, 8, and 14 encountered a conversion problem changing counts to percentages. The data accuracy was verified when figure analyses were rerun for all 17 slides; however, the following corrections should be noted:

Figure 7. Ages 0-19 Other Astrocytoma/Glioblastoma, the correct percentage should be 12.3%

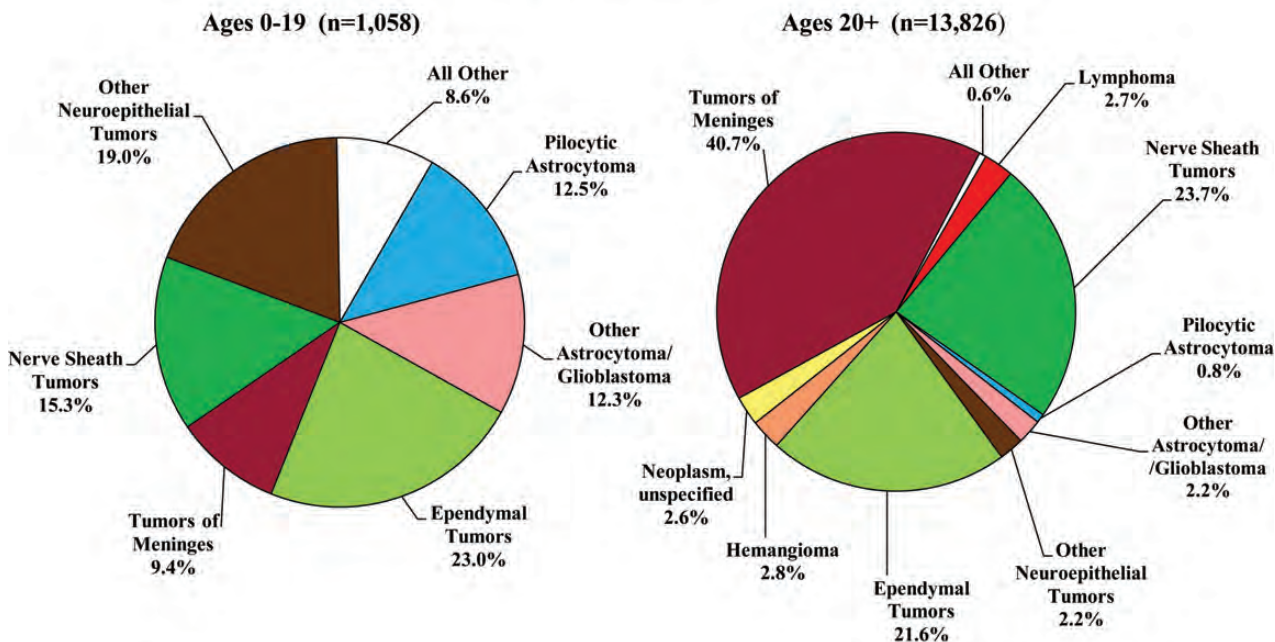

Figure 7. Ages 20+ Other Astrocytoma/Glioblastoma, the correct percentage should be 2.2%

Figure 8. Histology Oligodendroglioma, the correct percentage should be 4.5%, Hemangioma, the correct percentage should be 2.0%, Craniopharyngioma, the correct percentage should be 1.4%

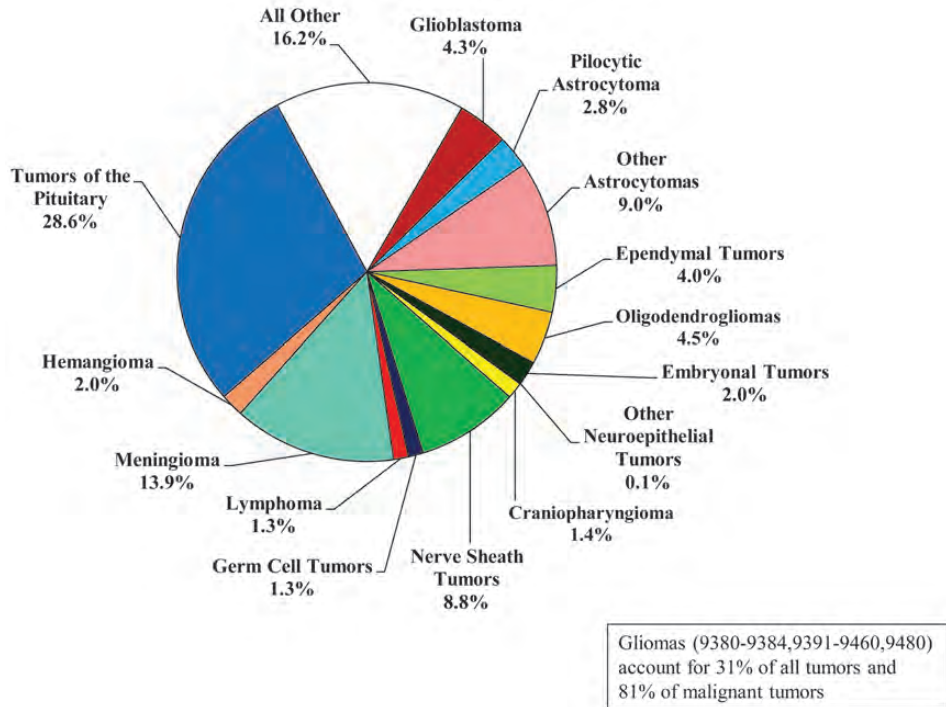

Figure 14. Ages 15-19 Oligodendroglioma, the correct percentage should be 2.3%.

Corrected - Figure 7. Distribution of Spinal Cord, Spinal Meninges and Cauda Equina Tumors by Histology

CBTRUS Statistical Report: NPCR and SEER Data from 2005-2009

CORRECTED - Figure 8 Histology

Corrected - Figure 14 Ages 15-19 (n=5,863)
