DOI 10.1074/jbc.A113.481424

A novel function of Onecut1 protein as a negative regulator of *MafA* gene expression.

Kaoru Yamamoto, Taka-aki Matsuoka, Satoshi Kawashima, Satomi Takebe, Fumiyo Kubo, Takeshi Miyatsuka, Hideaki Kaneto, and Ichihiro Shimomura

Dr. Kubo's first name should be Fumiyo. The corrected author list is shown above.

Authors are urged to introduce these corrections into any reprints they distribute. Secondary (abstract) services are urged to carry notice of these corrections as prominently as they carried the original abstracts.
