### To the Editor:

We found an error in our published article.

Chae HW, Suh I, Kwon AR, Kim YJ, Kim YH, Kang DR, Kim HY, Oh SM, Kim HC, Kim DH, Kim HS. Longitudinal standards for height and height velocity in Korean children and adolescents: the Kangwha cohort study. *J Korean Med Sci* 2013;28(10):1512-7.

The official name of this population based cohort study is the 'Kangwha Study.' Therefore, the title is corrected as "Longitudinal Standards for Height and Height Velocity in Korean Children and Adolescents: the Kangwha Study."
