

Erratum

In [1], the footnote symbol ([†]) noting the two authors who contributed equally to the work was incorrectly attributed to C. Habold and R. Schneider-Stock. However, the two authors who in fact contributed equally to the work were C. Habold and A. Poehlmann.

In [2], the author affiliation (^a) was incomplete. The correct affiliation is as follows:
Vaccine and Infectious Disease Institute (VIDI), Laboratory of Experimental Hematology, Faculty of Medicine, Antwerp University, Belgium.

We apologize for these errors.
