Assessing mitochondrial dysfunction in cells

M. D. BRAND and D. G. NICHOLLS

Volume 435 (2011), pp. 297–312

The equation eqn (1) contained an error. The correct equation appears here:

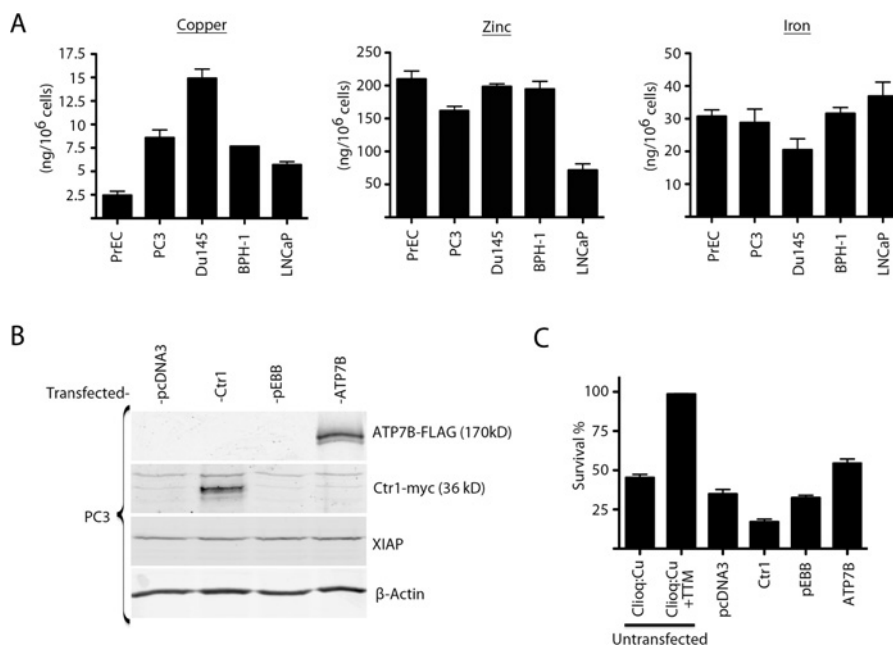

$$pmf = \Delta\psi_m - 61.5\Delta pH$$

Clioquinol induces cytoplasmic clearance of the X-linked inhibitor of apoptosis protein (XIAP): therapeutic indication for prostate cancer

M. A. CATER and Y. HAUPT

Volume 436 (2011), pp. 481–491

In Figure 4(A), there were errors in labelling pertaining to the prostate hyperplastic cell line on the three horizontal axes: the labelling should be BPH-1, not BGH-1. The corrected Figure is shown here.

GULP1 is a novel APP-interacting protein that alters APP processing

Y. HAO, M. S. PERKINTON, W. W.-L. CHAN, H. Y. E. CHAN, C. C. J. MILLER and K.-F. LAU

Volume 436 (2011), pp. 631–639

The name of the first author Yan Hao was presented incorrectly in this article. The correct version appears here.
