The authors regret an error occurred in the figure legend of Fig. 1. The correct figure legend is as follows:

Fig. 1. (a) Image of laryngoscopy when the patient first came to our hospital in September 21, 2009, (b) SEM observation of the focus tissue, (c) histopathological examination (HE,  $\times 400$ ), (d) the slide culture of the isolate (methylene blue,  $\times 400$ ), (e) image of laryngoscopy after 30 days of antifungal treatment in October 21, 2009.

The authors would like to apologise for any inconvenience caused.
