

Correction

Correction: *Figla-Cre* Transgenic Mice Expressing Myristoylated EGFP in Germ Cells Provide a Model for Investigating Perinatal Oocyte Dynamics

The PLOS ONE Staff

Video S1 and Video S3 have been switched in the Supporting Information. Please view the correct videos and their description below.

Supporting Information

Video S1.

First day culture of normal newborn ovary. A square indicates somatic cell invasion of oocyte cyst.

Video S3.

First day culture of *Figla* null newborn ovary.
