A corrigendum on

Impact of functional MRI data preprocessing pipeline on default-mode network detectability in patients with disorders of consciousness

by Andronache, A., Rosazza, C., Sattin, D., Leonardi, M., D'Incerti, L., Minati, L., et al. (2013) *Front. Neuroinform.* 7:16. doi: 10.3389/fninf.2013.00016

The authors of the article by Andronache et al. apologize that the funding acknowledgment "The Start-up Coma Research Centre (CRC) project was also supported by the European Foundation for Biomedical

Research (FERB)" was omitted from the original publication.
