

Erratum

SAGE would like to apologise for the error in the Funding statement of the below mentioned article:

Title: Relative trends in hospitalizations and mortality among infants by the number of vaccine doses and age, based on the Vaccine Adverse Event Reporting System (VAERS), 1990-2010

Issue: Volume 31, Issue 10 (October).

DOI: 10.1177/0960327112440111.

The correct Funding Statement should read:

This research received no specific grant from any funding agency in the public, commercial, or not-for-profit sectors. The National Vaccine Information Center (NVIC) donated \$2,500 towards the SAGE Choice Open Access fee for this article.
