### Correction to Maister, Simons, and Plaisted-Grant (2013)

In the article “Executive functions are employed to process episodic and relational memories in children with autism spectrum disorders,” by Lara Maister, Jon S. Simons, and Kate Plaisted-Grant (*Neuropsychology*, 2013, Vol. 27, No. 6, pp. 615–627, doi: 10.1037/a0034492), the copyright attribution was incorrect. The copyright is retained by the authors.

Likewise, the following text should have appeared in the author note: “This article has been published under the terms of the Creative Commons Attribution License (<http://creativecommons.org/licenses/by/3.0/>), which permits unrestricted use, distribution, and reproduction in any medium, provided the original author and source are credited.
