Correction

Correction: The Energy Expenditure of Stair Climbing One Step and Two Steps at a Time: Estimations from Measures of Heart Rate

The *PLOS ONE* Staff

There is an error in the linear equation presented in the Results section. A subtraction sign was omitted during the typesetting process. Please see the corrected equation below.

$$\dot{V}_{O_2} = 22.1 \times \text{heart rate} - 1153.5 (R^2 = 0.90)$$
