Spacey K, Dannawi Z, Khazim R, *et al.* Horner's syndrome secondary to intervertebral disc herniation at the level of T1–2. *BMJ Case Rep*. Published online: 5 Jun 2014. doi:10.1136/bcr-2014-204820.

Unfortunately, during the typesetting of this paper, the production office introduced an error into the author list. The 4th author's name has been inserted in place of the second author's name. To clarify, the correct order of authors is as follows: Kate Spacey, Ammar Zaidan, Rabi Khazim and Zaher Dannawi.
