An error was found in the following published article: Sim KH, Hwang MS, Kim SY, Lee HM, Chang JY, Lee MK, 'The Appropriateness of the Length of Insulin Needles Based on Determination of Skin and Subcutaneous Fat Thickness in the Abdomen and Upper Arm in Patients with Type 2 Diabetes.' Diabetes Metab J 2014;38:120-133. http:// dx.doi.org/10.4093/dmj.2014.38.2.120

On the page 130, in the middle of the right column, "In detail, female skin was thicker than those of males, which is consistent to many other previous studies [3,15,20]" should be corrected as following.

## **Corrected Sentence**

In detail, men have thicker skin than do women, which is consistent to many other previous studies [3,15,20].
