Qing Chen obtained her Master's degree from Hubei Medical College (now Wuhan University School of Medicine) in 1993. She is an attending psychiatrist at Jiading Mental Health Center where she has been working since 2007. She has been the head of the Department of Psychiatry since 2008. Her main research interest is clinical psychiatry and psychotherapy.

Erratum

In the review article in the last issue, 'The dopamine system and alcohol dependence' by Hui MA and Gang ZHU (*Shanghai Archives of Psychiatry*. 2014; **26**(2): 61-68. doi: <http://dx.doi.org/10.3969/j.issn.1002-0829.2014.02.002>), the section title of '6. Summary and prospect' was misplaced. Only the last two paragraphs should be included in section 6, instead of three.
