A corrigendum on

Validation and extension of the reward-mountain model

by Breton, Y.-A., Mullett, A., Conover, K., and Shizgal, P. (2013). Front. Behav. Neurosci. 7:125. doi: 10.3389/fnbeh.2013.00125

There is a subscripting error in the appendix to the article by Breton et al. (2013). In the sentence on page 16 between Equations A.6 and A.7 that begins

"Substituting for U_{bsr} and U_e in Equation A.5,"

the specified divisor should be $\frac{RI_{\max}}{SP \times (1+\xi)}$ and not $\frac{RI_{\max}}{SP_e \times (1+\xi)}$. In other words, there should be no subscript for SP in the divisor.
