

## ERRATUM

### Chromatin-Mediated Restriction of Nuclear Factor 1/CTF Binding in a Repressed and Hormone-Activated Promoter In Vivo

Sergey Belikov, Carolina Åstrand, Per-Henrik Holmqvist, and Örjan Wrangé

*Department of Cell and Molecular Biology, The Medical Nobel Institute,  
Karolinska Institutet, SE-17177 Stockholm, Sweden*

Volume 24, no. 7, p. 3036–3047, 2004. Page 3043, column 2, lines 23 and 24; “active promoter as compared to the hormone-inactivated promoter” should read “inactive promoter as compared to the hormone-activated promoter.”
